

Another year has flown by, and it is harder than ever to keep up in our industry.

Your PPA Greater St. Louis organization has been busy, too, with events planned to assist you at being the best in your field. We continue to bring speakers and topics to the forefront of our area throughout the year in round tables and presentations at member studios. We have an annual print competition in February as well as educational meetings and socials in which you can talk business and enjoy yourself with a little R&R at the same time. Our website allows you to keep posted on upcoming events and to keep in touch with your colleagues. This is one of the best investments of your time and money that you will make.

Please take time right now to print out the attached membership renewal form and mail back your dues today for another year of striving to be the best photographer you can be!

Dues are payable to PPAGSL before December 31 and are mailed with your current membership contact information to the Membership Chair person. You must select your membership level and send your check with the attached form.

Circle your membership level: Professional Active, Association Member, or Friend of GSL

Levels of Membership as per the by laws:

Professional Active will be an individual which meets existing requirements for membership but also holds a PPA National ID number. These photographers will have a voting membership as long as their membership remains in good standing. They will have annual dues of \$25.

Association Membership will be an individual that meets existing requirements as well as holds a State Sales Tax ID number. These photographers will have identical benefits with the exception of voting. They will have annual dues of \$25.

Friends of GSL will be an individual who may not meet the existing criteria for membership regarding income from photography but may be a student academically pursuing photography, a spouse of a member, an employee of a member, a retiree, or a representative of a business association. These members will not have a vote. They will have annual dues of \$15.
